Hosted in the United States during
America's 250th Anniversary

**SUPPORT A WORLD-CLASS
CHAMPIONSHIP ON
AMERICAN SOIL**

Help us bring the world's premier
aerobatic competition to the
United States.

WHY THIS EVENT **MATTERS**

2026 WORLD AEROBATIC CHAMPIONSHIPS

A Rare International Championship on American Soil

Every two years, the world's best aerobatic pilots gather to compete for the title of World Champion at the highest level of precision flight.

In 2026, the United States will host the World Aerobatic Championships for the first time in more than a decade — welcoming elite international competitors, officials, and aviation enthusiasts from around the world during the 250th anniversary of the United States.

This is more than a competition. It is a celebration of aviation excellence, discipline, innovation, and international camaraderie on the world's biggest stage in competitive aerobatics.

NATIONAL AEROBATIC CHAMPIONSHIPS

The 2026 World Aerobatic Championships are expected to draw a much larger audience across livestream and digital platforms.

A RARE OPPORTUNITY FOR TEAM USA

The United States has not won a World Aerobatic Championship since 1988.

Hosting the world's best pilots on American soil during the 250th anniversary of the United States creates a uniquely meaningful opportunity for Team USA to compete for a World Championship at home for the first time in decades.

KEY SPONSORSHIP OPPORTUNITIES

The 2026 World Aerobatic Championships are made possible through the support of individual donors, aviation supporters, and select corporate partners who believe in bringing this world-class event to the United States.

A number of championship sponsorship opportunities are available to help support key areas of the event while providing meaningful visibility and recognition throughout the competition.
